

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

I. Who We Are

This Notice of Privacy Practices (“Notice”) describes the privacy practices of Ohio Presbyterian Retirement Services (“OPRS”) including all OPRS continuing care retirement communities and Senior Independence, their physicians, nurses, and other personnel. It applies to services furnished to you at any OPRS and Senior Independence site or location.

II. Our Privacy Obligations

We are required by law to maintain the privacy of your health information (“Protected Health Information” or “PHI”) and to provide you with this Notice of our legal duties and privacy practices with respect to your PHI. We are also obligated to notify you following a breach of unsecured PHI. When we use or disclose your PHI, we are required to abide by the terms of this Notice (or other notice in effect at the time of the use or disclosure).

III. Permissible Uses and Disclosures Without Your Written Authorization

In certain situations, which we describe in Section IV below, we must obtain your written authorization in order to use and/or disclose your PHI. However, we do not need any type of authorization from you for the following uses and disclosures:

- A. Uses and Disclosures For Treatment, Payment and Health Care Operations. We may use and disclose PHI, but not your “Highly Confidential Information” (defined in Section IV.C below), in order to treat you, obtain payment for services provided to you and conduct our “health care operations” as detailed below:
- Treatment. We may use and disclose your PHI to provide treatment, for example, to diagnose and treat your injury or illness. We may also disclose PHI to other health care providers involved in your treatment.
 - Payment. In most cases, we may use and disclose your PHI to obtain payment for services that we provide to you – for example, disclosures to claim and obtain payment from your health insurer, HMO, or other company that arranges or pays the cost of some or all of your health care (“Your Payor”) to verify that Your Payor will pay for health care.
 - Health Care Operations. We may use and disclose your PHI for our health care operations, which include internal administration and planning and various activities that improve the quality and cost effectiveness of the care that we deliver to you. For example, we may use PHI to evaluate the quality and competence of our physicians, nurses and other health care workers. We may disclose PHI to our Patient

Relations Coordinator in order to resolve any complaints you may have and ensure that you have a comfortable visit with us.

We may also disclose PHI to your other health care providers when such PHI is required for them to treat you, receive payment for services they render to you, or conduct certain health care operations, such as quality assessment and improvement activities, reviewing the quality and competence of health care professionals, or for health care fraud and abuse detection or compliance.

B. Use or Disclosure for Directory of Individuals in OPRS. We may include your name, location in OPRS, general health condition and religious affiliation in a patient directory without obtaining your authorization unless you object to inclusion in the directory. Information in the directory may be disclosed to anyone who asks for you by name or members of the clergy; provided, however, that religious affiliation will only be disclosed to members of the clergy.

C. Disclosure to Relatives, Close Friends and Other Caregivers. We may use or disclose your PHI to a family member, other relative, a close personal friend or any other person identified by you when you are present for, or otherwise available prior to, the disclosure, if we (1) obtain your agreement; (2) provide you with the opportunity to object to the disclosure and you do not object; or (3) reasonably infer that you do not object to the disclosure.

If you are not present, or the opportunity to agree or object to a use or disclosure cannot practicably be provided because of your incapacity or an emergency circumstance, we may exercise our professional judgment to determine whether a disclosure is in your best interests. If we disclose information to a family member, other relative or a close personal friend, we would disclose only information that we believe is directly relevant to the person's involvement with your health care or payment related to your health care. We may also disclose your PHI in order to notify (or assist in notifying) such persons of your location, general condition or death.

D. Fundraising Communications. We may contact you to request a tax-deductible contribution to support important activities of OPRS. In connection with any fundraising, we may disclose to our fundraising staff demographic information about you (e.g., your name, address and phone number) and dates on which we provided health care to you, without your written authorization. You have the right to opt out of receiving fundraising communications and may do so by calling (800) 686-7800, ext. 160 or by sending an email to oprsfco@oprs.org.

E. Public Health Activities. We may disclose your PHI for the following public health activities: (1) to report health information to public health authorities for the purpose of preventing or controlling disease, injury or disability; (2) to report child abuse and neglect to public health authorities or other government authorities authorized by law to receive such reports; (3) to report information about products and services under the jurisdiction of the U.S. Food and Drug Administration; (4) to alert a person who may have been exposed to a communicable disease or may otherwise be at risk of contracting or spreading a disease or condition; and (5) to report information to your employer as required under laws addressing work-related illnesses and injuries or workplace medical surveillance.

F. Victims of Abuse, Neglect or Domestic Violence. If we reasonably believe you are a victim of abuse, neglect or domestic violence, we may disclose your PHI to a governmental authority, including a social service or protective services agency, authorized by law to receive reports of such abuse, neglect, or domestic violence.

G. Health Oversight Activities. We may disclose your PHI to a health oversight agency that oversees the health care system and is charged with responsibility for ensuring compliance with the rules of government health programs such as Medicare or Medicaid.

H. Judicial and Administrative Proceedings. We may disclose your PHI in the course of a judicial or administrative proceeding in response to a legal order or other lawful process.

I. Law Enforcement Officials. We may disclose your PHI to the police or other law enforcement officials as required or permitted by law or in compliance with a court order or a grand jury or administrative subpoena.

J. Decedents. We may disclose your PHI to a coroner or medical examiner as authorized by law.

K. Organ and Tissue Procurement. We may disclose your PHI to organizations that facilitate organ, eye or tissue procurement, banking or transplantation.

L. Research. We may use or disclose your PHI without your consent or authorization if an Institutional Review Board or Privacy Board approves a waiver of authorization for disclosure.

M. Health or Safety. We may use or disclose your PHI to prevent or lessen a serious and imminent threat to a person's or the public's health or safety.

N. Specialized Government Functions. We may use and disclose your PHI to units of the government with special functions, such as the U.S. military or the U.S. Department of State under certain circumstances.

O. Workers' Compensation. We may disclose your PHI as authorized by and to the extent necessary to comply with state law relating to workers' compensation or other similar programs.

P. As Required By Law. We may use and disclose your PHI when required to do so by any other law not already referred to in the preceding categories.

IV. Uses and Disclosures Requiring Your Written Authorization

A. Use or Disclosure with Your Authorization. We must obtain your written authorization for most uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and disclosures that constitute the sale of PHI. Additionally, other uses and

disclosures of PHI not described in this Notice will be made only when you give us your written permission on an authorization form (“Your Authorization”). For instance, you will need to complete and sign an authorization form before we can send your PHI to your life insurance company or to the attorney representing the other party in a lawsuit in which you are involved.

B. Uses and Disclosures of Your Highly Confidential Information. Federal and state law requires special privacy protections for certain highly confidential information about you (“Highly Confidential Information”). This Highly Confidential Information may include the subset of your PHI that: (1) is maintained in psychotherapy notes; (2) is about mental health and developmental disabilities services; (3) is about alcohol and drug abuse prevention, treatment and referral; (4) is about HIV/AIDS testing, diagnosis or treatment; (5) is about sexually-transmitted disease(s); (6) is about genetic testing; (7) is about child abuse and neglect; (7) is about domestic abuse of an adult with a disability; or (8) is about sexual assault. In order for us to disclose your Highly Confidential Information for a purpose other than those permitted by law, we must have Your Authorization.

C. Revocation of Your Authorization. You may withdraw (revoke) Your Authorization, or any written authorization regarding your Highly Confidential Information (except to the extent that we have taken action in reliance upon it) by delivering a written statement to the Privacy Official identified below. A form of Written Revocation is available upon request from the Privacy Official.

V. Your Rights Regarding Your Protected Health Information

A. For Further Information; Complaints. If you would like more information about your privacy rights, if you are concerned that we have violated your privacy rights, or if you disagree with a decision that we made about access to your PHI, you may contact our Privacy Official. Also, you may make a complaint by calling the OPRS Corporate Hotline at (877) 780-9366. You may also file written complaints with the Director, Office for Civil Rights of the U.S. Department of Health and Human Services. Upon request, the Privacy Official will provide you with the correct address for the Director. We will not retaliate against you if you file a complaint with us or the Director.

B. Right to Request Additional Restrictions. You *have the right to request a restriction on the uses and disclosures of your PHI (1) for treatment, payment and health care operations purposes, and (2) to individuals (such as a family member, other relative, close personal friend or any other person identified by you) involved in your care or with payment related to your care. For example, you have the right to request that we not disclose your PHI to a health plan for payment or health care operations purposes, if that PHI pertains solely to a health care item or service for which we have been involved and which has been paid out of pocket in full. Unless otherwise required by law, we are required to comply with your request for this type of restriction. For all other requests for restrictions on use and disclosures of your PHI, we are not required to agree to your request, but will attempt to accommodate reasonable requests when appropriate.* If you wish to request additional restrictions, please obtain a request form from our Privacy Official and submit the completed form to the Privacy Official. We will send you a written response.

If you would like to access your records, please obtain a record request form from the Privacy Official and submit the completed form to the Privacy Official. If you request copies, we will charge you a cost-based fee, consistent with Ohio law, that includes (1) labor for copying the PHI; (2) supplies for creating the paper copy or electronic media if you request an electronic copy on portable media; (3) our postage costs, if you request that we mail the copies to you; and (4) if you agree in advance, the cost of preparing an explanation or summary of the PHI.
