The Internet Cafe:
One of the many ways donors have enhanced the lives of those we serve.
Our Mission is to support the older adult services of OPRS by nurturing a philanthropic environment that fosters generosity, volunteer involvement, donor relations and stewardship.
Welcome to the 20th Anniversary issue of the OPRS Foundation Annual Report!

Think about what you have accomplished personally or professionally in the last 20 years. Have you raised children? Earned a degree? Invented a product? Risen to new heights in your career? Finished a marathon? Whatever your life holds, I’m sure you have many accomplishments of which to be proud.

We’d like you to add one more achievement to your list: improving life and enriching opportunities for thousands of people all over Ohio.

The 20th Anniversary is really yours to celebrate. Altruistic people like you have built strength into OPRS since it was founded in 1922. And since the OPRS Foundation was established in 1986, donors like you have given over $140 million in support of the OPRS mission, including the following:

- $11 million to build or renovate facilities (17 buildings throughout the state)
- $27 million permanently invested in endowment funds
- $25 million identified in future support for OPRS
- And so much more...

Please read more about all you have accomplished later in this report. On behalf of every resident, client, employee and volunteer throughout OPRS, we wish to thank you for all you have done to help those we serve.

Congratulations on your success!

Leadership Volunteers

The OPRS Foundation is blessed to have the partnership of so many concerned local citizens on its volunteer board, councils and committees. Several executives, business owners and other community leaders give of their time to support the OPRS Foundation and its efforts to strengthen service to older adults.

2006 Accomplishments

Gift Support
- Gifts to Senior Independence surpassed $1 Million, the highest total in the program's history, and more than double the total raised last fiscal year.
- Cape May dedicated the Hoggatt Pavilion, given generously by Galen and Elizabeth Hoggatt. This was the first major capital gift at Cape May.

Capital Campaign
- Campaign total approached $34 Million as leadership phases for Breckenridge, Dorothy Love and Mount Pleasant made steady gains.
- Dorothy Love held the first public kickoff of The Mission, The Vision, The Promise Campaign, and dedicated the new C.H. Ginn Family Entryway.
- Campaign leadership phases are preparing to launch at Llanfair, Park Vista, Swan Creek and Westminster-Thurber.

Board and Volunteer Leadership
- The “Planning For Life” guidebook was developed for use by fundraisers and philanthropy committee members. It assists individuals in planning their estate, and includes sections for recording personal and financial information, spiritual planning, location of important documents, and offers information about charitable giving strategies.
- Philanthropy Committee workshops were held at 10 locations throughout the state, with over 70 volunteers participating and over 350 in attendance at the Foundation luncheons. Workshops included educational sessions and luncheons that highlighted the local Philanthropy Committee FY07 plans, campaign updates, Foundation highlights and future plans.
- A third board committee was established called the Fundraising Advisory Committee, which will oversee all fundraising activities and budgets, and will be chaired by the Board Vice Chair.

Organizational Structure
- OPRS corporate communications is now administered by the OPRS Foundation communications department. This team now leads all statewide communications including publications, Web sites and media relations.

Celebrating 20 Years of Giving

The OPRS Foundation was created in 1986 to strengthen voluntary support of the OPRS mission.

Although our fundraising programs were strong at that time, our hope was that the creation of a foundation would grow them even further through building volunteer leadership, seeking and receiving financial contributions, and managing financial assets.

That hope has come true in ways we never imagined. Generations of residents, volunteers, staff, donors and families have embraced the mission of our organization and helped us enhance the lives of our residents and clients through their generosity.

As you'll see on the next few pages, this generosity has made a world of difference for all those we serve.

All of OPRS joins together to celebrate these achievements, as well as the donors who have made them possible. We look forward with great anticipation to the next 20 years and beyond.
